Present Catalog Copy

Prerequisites: Current enrollment in the Department of Nutritional Sciences Combined BS/MS in Dietetics. This seminar will provide the student with an advanced exploration and study of selected topics and emerging issues in food, nutrition, and dietetics. Topics will be determined by faculty to enhance the required curriculum and to satisfy competencies mandated by the Accreditation Council for Education in Nutrition and Dietetics (ACEND) of the Academy of Nutrition and Dietetics.

Proposed Catalog Copy:

Prerequisites: Graduate status in the department of Nutritional Sciences, or instructor approval. This seminar will provide the student with an advanced exploration and study of selected topics and emerging issues in food, nutrition, and dietetics. Topics will be determined by faculty to enhance the required curriculum and to satisfy competencies mandated by the Accreditation Council for Education in Nutrition and Dietetics (ACEND) of the Academy of Nutrition and Dietetics.

Supporting evidence or justification:

Proposal for new MS in Nutrition and MS in Nutrition with DPD Verification programs include this course as part of the programs. Prerequisites need to allow for these students, as well as potential interested students across campus, to enroll in the course.
