Brandon Hernandez

Hello everyone! My name is Brandon Hernandez, and I am a Psychology major with a minor in Criminal Justice with plans on attending graduate school. I was originally born in California, but grew up here in Fort Worth. On campus I am the president of the organization SACNAS, am a TA for Intro to Psychology, and an avid volunteer in community service events. In my free time I enjoy listening to music, exercising, playing video games, and reading books (especially science fiction).

I also love watching movies, so if you have any recommendations feel free to send some suggestions! I'm really excited to help out as a peer mentor and can't wait to meet you all!
