

ABOUT

CRIS GAMEZ

Hey! My name is Cris Gamez, and I am a 3rd year student from Arlington, Texas. I study Mechanical Engineering here at TCU. On campus, I have been mainly involved with Mariachi Sangre Royal de TCU and the Society of Hispanic Professional Engineers (SHPE) where I currently serve as President. In terms of my career, I interned at Wabtec Corporation where I worked as a Quality Test Engineer and assisted in reducing defects for my area. In my free time, I enjoy playing soccer, video games (I'll cook you in FIFA and real life), and being around those I love. I'm excited to be a peer mentor this year, and I will do my best to lend a hand where needed.
