COLIN WONG

Hello! My name is Colin Wong, and I am a Biochemistry major with a minor in Cultural Awareness in Healthcare. I am on the pre-dental track. I am from Portland, Oregon. Besides the role of a peer mentor, I am involved in TCU Special Olympics, Dream Outside the Box, and the Mercy Clinic. Outside of school, I really enjoy staying active by going to the gym and playing sports. I am excited for this upcoming year to serve as a peer mentor!
