DANIELA BURCIAGA

Hello everyone, my name is Daniela Burciaga and I am from El Paso, Texas. I am currently a junior and I am a Mathematics and Secondary Education Double Major. I have always loved kids and helping people which has inspired me to pursue a career in teaching. I am also involved in several organizations on campus like TCU SACNAS, KDP Honors Society, TCU Math Club, and SSS. I am also a big fan of music. I love to sing and know how to play the piano. In my free time I love to spend time with my family and friends. I also love meeting new people and I am excited to be part of the CSE Peer Mentor Program.
