

ABOUT

# Kasch Bergus

My name is Kasch Bergus, I am a sophomore currently majoring in Mechanical Engineering and minoring in Business Entrepreneurship. I attended the Shelton School in Dallas, Texas where I played on the Varsity Baseball Team. My favorite time of year at TCU is football season, when I can sit on the front row of the student section and shout Riff Ram at the top of my lungs.

I also enjoy rooting for the Dallas Stars, fly fishing, and traveling. I'm excited to be a peer mentor this year, and I will do my best to help guide our new students.
