

ABOUT

MARY BETH WALSH

Hi everyone! My name is Mary Beth Walsh and I am a sophomore computer science major from Dallas, TX. I am also minoring in mathematics and am a member of the John V. Roach Honors College. Outside of class, I am involved in Greek Life where I serve on the executive committee for my chapter. I am also the PR Chair for TCU Catholic and am a member of the Computer Science Feminists club. In my free time, I love watching TCU football and spending time with friends. I'm so excited to be a peer mentor and meet other students in CSE!
