

ABOUT

Maya Nicole Limage

Hello everyone!! My name is Maya Nicole Limage and I am a Junior Child Development major with a minor in Biology on the pre-medicine track. I hope to pursue a career in healthcare working with children! While I was born in West Palm Beach, Florida, I spent most of my life growing up in Calgary Alberta, Canada and consider Canada home. I love to go on walks around campus, read, and play board games.

I would say that my favorite place to hang out on campus is the commons. I am so excited to be a Peer Mentor! In addition to being a Peer Mentor, I am a member of Frogs4Children and look forward to fulfilling my role as a Resident Assistant this year. This year and can't wait to meet everyone!
