

ABOUT

# Mia Kelso

Hi everyone! My name is Mia Kelso, and I am from Mansfield, Texas. I am a senior Mathematics and Data Analytics & Digital Culture double major. After my graduation in 2026, I want to continue to get my master's in engineering as well! At TCU, I am a member of Phi Mu sorority, and outside of TCU, I am a nanny, part-time tutor, and volunteer at the Down Syndrome Partnership of North Texas.

For fun, I love photography, traveling worldwide, and watching movies. I am so excited to be a CSE peer mentor and look forward to meeting y'all!
