

ABOUT

# Rachael Rivas

Hi y'all, my name is Rachael Rivas! I am a junior Environmental Science major with Comparative Race and Ethnic Studies and Anthropology minors from Houston, Texas. I am a part of the Honors College, and I am involved in theCrew and OneShadeGreener. I am also a Resident Assistant in Samuelson and Carter Halls. In my free time, I enjoy making jewelry, dancing, and photographing.

My career goal is to work in conservation education or do policy work. A fun fact about me is that I have visited 207/254 county courthouses in Texas, all by road trip. I can't wait to get to know and support all the students in the College of Science and Engineering this year!
