

ABOUT

DELANEY FRITZ

Hi y'all!! My name is Delaney Fritz, and I am from San Diego, CA. I am a child development major with a triple minor in social work, speech language pathology and criminal justice. I am currently on track to graduate from TCU in spring of 2024 and continue to get my masters of social work. In addition to being a CSE peer mentor, I am a TCU tour guide/ambassador, a university life (UNLF) peer mentor, a Cook's Children's Hospital emergency room volunteer, a TCU Frog Camp facilitator and am on the executive board for TCU Sigma Kappa serving as the Vice President of Recruitment. Outside of school work, I love hanging out with my friends, going on walks, shopping and exploring Fort Worth. I am so excited to be a CSE peer mentor and am looking forward to meeting all of y'all!
