

ABOUT

MOLLY KOCA

Hey everyone! My name is Molly Koca, and I am a senior nutrition major from Omaha, Nebraska. I am on the pre-dental track in hopes of becoming a dentist. Here at TCU, I am involved in Dream Outside of the Box, Pre-Dental Club, and the John V. Roach Honors College. I am also a member of Kappa Alpha Theta where I am the Recruitment Reference Director! I love traveling, going to TCU games, and cheering on Creighton Basketball, Go Jays! If you are ever in the library, feel free to say hi because I am always there!! I'm so excited to be a peer mentor coordinator with Daniela this year and to meet all of you!
