

ABOUT

SARA PAHLEVAN

Hi all! My name is Sara Pahlevan, and I'm from Las Vegas, Nevada. I am a senior biology major on the pre-med track. Around campus, I have been involved in the Neurobiology of Aging labs, Medical Journal Club, and volunteering with Taste Project, but my favorite activity so far has been working with the ER downtown. Outside of campus life, I enjoy running (especially around the Trinity), writing, and watching period pieces. I also love going dancing! I am honored to serve you all, so please don't hesitate to reach out & chat!
