

ABOUT

ISABEL REGALADO

Hello! My name is Isabel Regalado, and I am a sophomore Ranch Management major. I'm from Calipatria, California. I plan to eventually start my own business in the cattle industry. TCU is a great place and I enjoy spending most of my time here whether it's working, studying, or eating somewhere around campus. I am very excited for my second year of peer mentoring and can't wait to meet you and help you in any way I can.
